We pay our respects to the Elders, both past and present, and to those of the future, for they hold the memories, the traditions, the cultures and aspirations of Aboriginal Australia.

Intereach acknowledges all traditional owners and Elders past and present, particularly the traditional custodians of the lands where our offices are located and the areas where we work.

Intereach works with you to lead the life you choose and be connected to where you live.

► **Do you need support for a family member or yourself?**

At times, it is hard to know what support is available and how it works.

Call us, or drop in for a chat. We develop an understanding of your situation and then suggest some options such as:

- an Intereach service that suits you,
- information about other services that may be beneficial, and/or
- help to access support or the local community.

► **Our commitment:**

We will listen to you.

We will respect your privacy, uphold your rights and explain your responsibilities.

We care about local people and community, and recognise that you know best.

► **Who we are**

We are a not for profit community based provider of services to regional, rural and remote communities throughout the Riverina Murray region of NSW and northern Victoria.

Established in 1973 as the Deniliquin Council for Social Development, the organisation has grown to diversify the support we provide, yet remain committed to the same values, and supporting people to live well and thrive in their local community.
