

Commonwealth Home Support Program

Maintaining your home, and staying independent can become more of a challenge as you get older. Intereach provide a range of practical help to support you, including home maintenance or modification, respite care, transport, social support, meals, goods and equipment.

► So, how does it work?

Phone Intereach Community Support for a chat. We develop an understanding of your lifestyle and suggest a range of support options for you to choose from. We explain the costs involved, and how it works.

Intereach can assist you with the referral to My Aged Care for the purpose of registering and qualifying for a service. Alternatively, you can contact My Aged Care on 1800 200 422.

Once confirmed, we phone you to arrange times and dates of support.

► Where is it available?

Commonwealth Home Support is available across the Edward River, Murray River, Albury, Federation, Berrigan and Greater Hume local government areas.

Community Transport is available in Deniliquin, Griffith and other locations where required.

► Is there a cost?

There is no cost to access general support and advice.

If there are costs involved in other services or support, we discuss and agree upon this before it is provided.

We pay our respects to the Elders, both past and present, and to those of the future, for they hold the memories, the traditions, the cultures and hopes of Aboriginal Australia.

Intereach acknowledges all traditional owners and Elders past and present, particularly the traditional custodians of the lands where our offices are located and the areas where we work.
