

Expression of Interest (EOI)

Artwork Commission

Calling all artists from a Multicultural and/or Culturally and Linguistically Diverse (CALD) background

Intereach is a non-profit community based provider of services to regional, rural and remote communities throughout the Riverina Murray region of NSW and the Loddon, Goulburn and Mallee areas of Victoria.

We work alongside children, families, older people, carers and people with a disability by providing information and support, delivering a range of services or linking them with another service that can meet their needs.

We wish to make our offices more welcoming and reflective of the local community by displaying artwork by local artists from a multicultural and/or linguistically diverse background. The office locations include Maryborough, Gisborne, Shepparton, Seymour, Mildura and Swan Hill.

Intereach is seeking Expressions of Interest (EOI) from artists from multicultural and/or CALD backgrounds within the local region to deliver one or a series of two-dimensional artworks that reflect the local people, communities and/or landscape.

Artwork must:

1. Use good quality canvas mounted on quality hardwood
2. be ready to hang
3. size must be no more than one meter long.

Intereach will purchase each artwork for a negotiated price.

The artist will retain moral rights and copyright of their artwork.

Additionally, artwork may be chosen to use for promotional purposes such as program brochures, posters and other documents such as the annual report as well as the Intereach website. The artist will retain moral rights and copyright of their artwork, will be paid a negotiated licence fee, and undertake a signed agreement that details how the artwork will be used.

Artists are requested to post, text, or email an Expression of Interest that includes:

- A short biography
- Business hours contact details
- An overview of their work, and
- Three photographs of current artwork, with prices
