

Family Day Care

Intereach FDC operates in NSW and Victoria, offering flexible childcare options for full-time, part-time, casual, overnight and weekend care

Intereach Family Day Care provides care and education to children aged 0-13 years in a home environment with a registered educator. Educators are trained and supported by the experienced and highly qualified Intereach Coordination Unit.

How does it work?

Intereach is the initial contact point for advice and information about Family Day Care.

Our team members will help match your needs with the best care environment for you and your child, taking into account diversity of language, culture and any other relevant factors. We prioritise achieving the right fit between children, educators and their respective families.

Pending availability, you will usually be able to meet with a number of educators before selecting the service that best meets your needs.

Is there a cost?

Family Day Care educators set their own fees, and although this takes place with guidance from Intereach, childcare fees may vary from one educator to another. Family Day Care is an approved form of childcare, therefore government benefits are available. Our staff can provide families with estimated out-of-pocket costs for your childcare.

Where is it available?

Intereach Family Day Care is available in Barham, Deniliquin, Echuca, Finley, Griffith, Hay, Jerilderie, Kerang, Lake Boga, Leeton, Moama, Nanneella, Narrandera, Nyah, Rochester, Shepparton, Swan Hill, Tatura and Wagga Wagga.
